

A warm & friendly welcome from the team

We work closely with a number of wine merchants to ensure we can offer plenty of variety, so no matter what your preference, we are sure there will be something to suit your taste.

Not sure what to have? Our whole selection has been tried & tested by our team who are always happy to point you in the direction of a new tipple

wine ... the water we are meant to drink with other
animals

Wine of the Month

Each month our team choose a wine for you to try... it could be something different & exciting, or it could be one from our menu we simply think you must try!

Ask your server for more details

Our small is a 175ml measure & our large is a 250ml measure. If you'd like a 125ml measure of our wines by the glass, please do just ask your server

Bibendum Whites

description	175ml	250ml	bottle
